

SINGLE, DOUBLE, TRIPLE VIENNA BENCH ASSEMBLY INSTRUCTIONS

Included Hardware for Double Bench

Important Safety Instructions

Obey the following warnings:

- Keep by standards and children away from the product you are assembling at all times.
- Do not connect power supply to the machine until instructed to do so.
- Do not assemble this machine outdoors or in a wet or moist location.
- Make sure assembly is done in an appropriate work space away from foot traffic and exposure to bystanders.
- Some components of the machine can be heavy or awkward. Use a second person when doing the assembly steps involving these parts. Do not do steps that involve heavy lifting or awkward movements on your own.
- Set up this machine on a solid, level, horizontal surface.
- Do not try to change the design or functionality of this unit. This could compromise the safety of this unit and will void the warranty.
- Do not use until the unit has been fully assembled and inspected for correct performance in accordance with the Owner's Manual.
- Read and understand the complete Owner's Manual supplied with this machine before first use. Keep the Owner's and Assembly Instructions for future reference.
- Do all assembly steps in the sequence given. Incorrect assembly can lead to injury or malfunctioning of the machine.
